

SUPPORT for Veterans and Families

The American Legion and Veterans of Foreign Wars (VFW) would like to reach out to all considering becoming a member. We try to be involved in everything possible within our community and welcome new people to become a part of it and support an ever-growing list of future activities and events we hope to establish. There is a place for all Veterans and their families, and we are available to gladly assist those in need in many ways.

Our American Legion is open to ALL veterans who have served – during war and peace times. Meetings are held at 7:30pm on the first Monday of every month.

Our VFW is for those who served during qualifying periods of war and conflicts – eligibility determined by DD 214, which we will gladly review. Meetings are held at the Vet's Club on Main Street at 7pm on the first Tuesday of every month.

Our Sons of the American Legion (SAL) is open to males with parents or grandparents who were/are Veterans qualified for American Legion membership. Prior military service is not required for SAL membership. Meetings are held at the Vet's Club on Main Street at 7:30pm on the first Monday of every month, along with the American Legion at the Vet's Club.

The American Legion Auxiliary includes spouses, mothers, daughters, granddaughters, and sisters of American war veterans. Prior military service is not required for membership. Meetings are held at the Vet's Club on Main Street at 2pm on the second Sunday of every month. Kids welcome!

All meetings are held in the conference area with a separate entrance at the back of the building.

All of us are here to help, listen, lend a hand. There are resources that we can share, including ways to seek medical and mental health assistance.
